Definitely comprehensive.

I've come to expect good manuals from Bentley. Wasn't disappointed. This was also the first thing I bought for my 98 C280 after I bought the car. That and an OBD-II reader. I'm feel ready now.

Like any Bentley Manual, is the best service manual you can get, but this manual is not as complete as my other Bentley manuals (other cars)do I have. I also have the Haynes manual. You should buy both to have a complete information.
