Review

"Now he has written a second book about his young days and...it is better than his first."--Ruth Farwell, The Washington Post

"James Herriot has served up another warm, witty, wonderful book in *All Things Bright and Beautiful*."--Shirley Roberts, Indianapolis News

"...a book to be happy with..."--Margaret Manning, The Boston Globe

From the Publisher

The Yorkshire veterinarian who has captured the heart of America with his beloved and wonderful autobiographical books here presents his best-selling sequel to *All Creatures Great And Small*. Bursting with warmth and laughter, you will fall in love with James Herriot's very special celebration of life.

"A book to be happy with."--The Boston Globe.

"Human beings just naturally respond to a writer as lovable, wholesome, eloquent, humorous and well-stocked with anecdotes as James Herriot."--Chicago Tribune Book World.

"The Reader falls totally under his spell."--Associated Press

About the Author

James Herriot (1916-1995) was the bestselling author of memoirs including *All Creatures Great and Small*, *All Things Wise and Wonderful*, *The Lord God Made Them All*, and *Every Living Thing*. At age 23, Herriot qualified for veterinary practice with the Glasgow Veterinary College, and moved to the town of Thirsk in Yorkshire to work in a rural practice. He would live in, work in, and write about the region for the rest of his life. Though he dreamed for years of writing a book, his veterinary work and his family kept him busy, and he did not start writing until the age of 50. In 1979, he was awarded the title Order of the British Empire (OBE). His veterinary practice in Yorkshire, England, is now tended by his son, Jim Wight.

This All Things Bright And Beautiful By James Herriot could accompany you in that time. It will certainly not make you really feel weary. Besides, this way will certainly likewise improve your life top quality.

ALL THINGS BRIGHT AND BEAUTIFUL BY JAMES HERRIOT PDF

Two years ago when we published James Herriot's *All Creatures Great and Small*, we called it a "miracle between covers." In the first major review of the book, Alfred Ames said: "If there is any justice, *All Creatures Great and Small* will become a classic of its kind. The publishers call it a miracle-- not too strong a word for a book that offers something for everyone: gusto, humor, pathos, information, romance, insight, style. It is vicarious living with one of the happiest and most admirable of people, a veterinary surgeon in the Yorkshire dales who can write superlatively well."

James, the miracle worker, has done it again. *All Things Bright and Beautiful* is precisely the warm and joyful sequel that readers all over America have been asking for. James is now married, and he and Helen live on the top floor of Skeldale House, while his former boss, now partner, Siegfried lives downstairs with Siegfried's brother Tristan. James continues the rich and rewarding day-to-day life of a small-town veterinarian, and we journey with him across the dales meeting a whole new cast of unforgettable characters-- humans, dogs, horses, lambs, parakeets-- all of them drawn with the same infinite fascination, affection, and insight that have made Herriot one of the most beloved authors of our time. This is the most loving book of the year to have-- or to give.

All Creatures Great and Small

By bookworm

I want to warn all Herriot devotees that in buying the omnibus editions they are NOT getting all the stories! For example in Jim's courtship of Helen, the episode of the Daffodil Ball is omitted. Let me demonstrate. 'In Let Sleeping Vets Lie' chapter twenty three begins:

"After the night of the Daffodil Ball I just seemed to drift naturally into the habit of dropping in to see Helen on an occasional evening."

However in the omnibus edition we have:

"After the night at the cinema with Helen I just seemed to drift naturally into the habit of dropping in to see Helen on an occasional evening"

How dare they do this? I am extremely annoyed to have spent my money on these omnibus editions. I will now have to go to all lengths to get the original books which Amazon will not ship to New Zealand.

The American publishers think they know better than James Herriot how his stories should unfold. They are wrong.

Just as wonderful as ever

By LeeAnn Bonds

This story is aging nicely. I read it again recently, many many years after reading it as a teen, and its charm is undiminished. Gentle, noble, gory and yucky in spots, displaying a deep love for the area and its people, and even including a sweet love story, this tale of a young veterinarian starting out in Yorkshire, England in the 1930's is well worth a read.

wonderful book

By Jaden P.

One of the best books I've read in my life. A must read. Very well written. Makes you want to write like him.

I remember seeing my high school biology teacher reading this book at her desk while she had some time to herself, while we did our thing with dissections, etc. It seemed that she couldn't get her hands off this book. And I'd wonder what the book was about. Something about creatures. Maybe it was about GOD and church and religion.

Now that I've had a chance to read this book, twenty years later, I can say that it is a wonderful book! You don't want this book to end. And now I understand why my biology teacher was so hooked on it.

This is a nonfictional book about an English veterinarian writing about his funny and sometimes dramatic profession. From how he started, to his everyday events in a small town (away from the big city such as London) to how he meets his future wife, and his gradual establishment of his veterinary life. This book is filled with funny moments that makes you pause with a smile on your face. And has its poignant moments that makes you realize its wonderful writing.

This book gives you a glimpse of what the veterinary world is like on his side, on the countryside of life, with real people and real stories, and of course, with real animals. Animals and people and veterinary work that you will come to love.
