Beautiful Cat Pictures in an Adult Coloring Book

By Amazon Customer

I purchased several copies of this beautiful coloring book to give away as Christmas presents this year. These hand-drawn pictures are very well done and have unique Egyptian backgrounds, such as flowers, birds, hieroglyphics. I think they'll make wonderful presents for my adult sisters and friends, as well as a neighborhood boy. Anyone who likes cats will enjoy this coloring book, meant for all ages. Some designs are quite intricate while others will be easy for kids. What a great way for adults to share time with their children, without computers and TVs.

I love this coloring book! The cover and back page are glossy and sturdy. The illustrations are well done and instructional. If you enjoy cats or Egyptology you will have fun coloring the sketches of ancient figures. It is a winner!
