Castor Oil has become a staple at our house!

By CelesteMesser

I remember growing up having castor oil in our house...(though admittedly one of mom's favorite punishments was threatening us that if we didn't do something or clean our plates we'd have to eat a spoonful...)

But in recent months I've been using castor oil packs for various ailments and I was reminded of this 'old fashioned' cure. To find it can also help hair growth is awesome and I LOVE the smell of rosemary so buying the book was a no brainier. It gave me the info I needed to start using the oils in a different way and I'm off to the races to check it out. Thanks.
