Be the very first that are reading this **Coherence: The Right Drivers In Action For Schools, Districts, And Systems By Michael Fullan, Joanne Quinn** Based upon some factors, reviewing this e-book will supply even more benefits. Even you have to read it step by action, web page by page, you can finish it whenever and wherever you have time. Again, this online publication Coherence: The Right Drivers In Action For Schools, Districts, And Systems By Michael Fullan, Joanne Quinn will provide you simple of reviewing time and task. It also offers the encounter that is inexpensive to get to and acquire greatly for better life.

#### Review

"Coherence is a book that demands action – it moves from the narrative of fixing one teacher at a time, to asking about the coherence of the system (be it school, national, or world issues). Fullan and Quinn create an important narrative about direction, working together, deepening learning, and securing accountability. The book sparkles with examples of coherence in action, it makes no excuses for employing the wrong levers of change. This is the blueprint for a new vocabulary of education action; it shows where we need to go next, and is another example of Fullan at the top of his game."

(John Hattie, Director and Author of Visible Learning)

I love this book--timely, practical collaborative action! In an era of overload, frustration, and fatigue Coherence offers an extremely timely, necessary, and practical alternative to improving education. Coherence is essentially about the power, potential, and promise of people working collaboratively: the humanity and professional capacity of educators seeking to lead, learn, and teach to realize the persistent moral purpose of supporting all students to succeed. A hallmark of Coherence is that the principles and actions are grounded in practical examples from schools, districts and entire education systems. We desperately need coherence; this book provides a vital framework for collective action! (Carol Campbell, Associate Professor)

"School systems that struggle often are riddled with incoherence—mismatched strategies, competing cultures, and illogical initiatives. In their highly informative book, Fullan and Quinn explain clearly how coherence can solve the problem. Based on solid research and lessons drawn from effective practice, Coherence provides a comprehensive model to guide educators as they learn and lead their way to better schools."

(Susan Moore Johnson, Jerome T. Murphy Research Professor)

"With the improvement of student learning at the center, Coherence assists educational leaders at every level to choose strategic drivers for change, learn collaboratively, and deliver results collectively. Fullan and

Quinn nail the solution: building coherence is an on-going process that focuses on quality implementation of a small number of powerful goals that improve student learning. The Coherence Framework pushes and supports all leaders to improve their practice in the service of students."

(John Malloy, EdD, Assistant Deputy Minister)

"Coherence is a must read for educators and politicians who are ready to talk the walk and take action with the 'right drivers'. As a site and district leader I learned from reformers and researchers alike, but I struggled to operationalize what I had learned to benefit the adults and students I served. In Coherence, Fullan and Quinn clearly articulate a plan for operationalizing the "right drivers" throughout the system-school site, district, county, state, and nation."

(Wes Smith, Executive Director)

"Michael Fullan and Joanne Quinn have hit it out of the park in their new book Coherence. This book is an excellent resource for any school or school system that is committed to continuous improvement. Coherence is a practical powerful action guide for schools and school systems to use as they work collaboratively to close the achievement gap that exists in our schools. This book should be the required reading for all school administrators and elected officials."

(Chris Steinhauser, Superintendent)

About the Author Consulting Description

Consulting Description: Leadership

Michael Fullan, Order of Canada, is professor emeritus at the Ontario Institute for Studies in Education, University of Toronto. He served as special adviser in education to Ontario Premier Dalton McGuinty from 2003 to 2013, and now serves as one of four advisers to Premier Kathleen Wynne. Michael has been awarded honorary doctorates from the University of Edinburgh, University of Leicester, Nipissing University, Duquesne University, and The Hong Kong Institute of Education. He consults with governments and school systems in several countries.

Fullan has won numerous awards for his more than 30 books, including the 2015 Grawemeyer prize with Andy Hargreaves for Professional Capital. His books include the best sellers Leading in a Culture of Change, The Six Secrets of Change, Change Leader, All Systems Go, Motion Leadership, and The Principal: Three Keys to Maximizing Impact. His latest books are Evaluating and Assessing Tools in the Digital Swamp (with Katelyn Donnelly), Leadership: Key Competencies (with Lyle Kirtman), and Freedom to Change. Complex times call for streamlined solutions—and leaders to pull them together.

If initiative overload and fragmentation are keeping your best plans from becoming reality, it's time to lead with coherence. Using the right drivers as your foundation, you'll bring people and ideas together—and implement the kind of lasting change that maximizes results. The key to success is the Coherence Framework, a dynamic, customizable road map with four essential components:

- Focused direction to build collective purpose
- Cultivating collaborative cultures while clarifying individual and team roles
- Deepening learning to accelerate improvement and foster innovation
- Securing accountability from the inside out
