Like all of my writings, what you are about to read was guided by Higher Realms of Consciousness, which includes the One I refer to as God. After being 'prompted' to put a series of five transformational CD's, out into the world, "The Hierarchy Takes You To The Heavens," "Transformation," "How A Powerful Woman Awakens," "Cosmic Wisdom," and The Five Contemplations of Bliss," people world-wide asked if I would put into writing, the words to each. I said yes. The words, the prayers, and the mantras in these five segments will serve you as daily reminders of how to choose into Mastery of your life. We are entering turbulent times and we must know how to rise above the turbulence, no longer spectators or victims. We need the tools, the prayers, the mantras, and information directly from the Hierarchy regarding the ways in which to be empowered, daily.

Beautiful book...buy this!

By Margaret Hansley

This book contains a series of meditations that have been used in the authors previous CD recordings. The written piece is a useful, handy reference that you can use again and again to refresh your self and solidify these wonderful teachings. I keep it by my bedside with my "frequently used books". Highly recommended!
