# EL MUNDO SIN NOSOTROS (SPANISH EDITION) BY ALAN WEISMAN PDF

Un fascinante recorrido por una tierra sin humanos. Un canto al poder de regeneración de la naturaleza.

¿Qué pasaría en la Tierra si desapareciera el ser humano?

Este libro contesta con rigor esta fascinante pregunta y explica cómo nuestras enormes infraestructuras se hundirían; cuánto tardarían las principales ciudades en reforestarse y las llanuras africanas en recuperar el esplendor de su fauna; por qué algunas de las construcciones más antiguas podrían ser las últimas en desaparecer y cuáles de nuestros objetos quedarían inmortalizados como fósiles.

Partículas de plástico indestructibles, gatos domésticos que se convierten en depredadores de éxito, plagas urbanas -como las ratas o las cucarachas- que se extinguen y estatuas de bronce que perviven milenios son solo algunos de los elementos que el lector se encontrará en este apasionante recorrido por un mundo tan familiar como extraño.

Reseñas:

«Fascinante, agudo, profundamente inteligente... Un libro muy importante para una especie que está jugando con su propio destino.»

James Howard Kunstler

«Uno de los mayores experimentos mentales de nuestro tiempo, un hito fabuloso del reportaje imaginario.»

Bill McKibben

«Grandiosamente entretenido.»

Time

«Prodigioso e impresionante.»
