FAWN FOREST ISD: A NOVEL BY ROSANNE GIVENS-SCOTT PDF

For more than thirty years, Jaylyn Rose has been a teacher and middle school counselor. She's proud of being able to make a difference in hundreds of students' lives, and she's having one of her best years ever. Then a new principal shows up and throws Jaylyn's world completely off balance. Known to staff as "the witch", the principal at Fawn Forest Independent School District is nothing short of a bully, and Jaylyn doesn't back down from bullies. But confronting the witch backfires, and the school district moves Jaylyn to a lesser position. Shaken by the mistreatment from the witch and the district, Jaylyn seeks justice. But discovering a wicked and fraudulent system is not what she anticipated . . . Unwilling to accept the school's disingenuous excuse for her removal, Jaylyn launches an investigation into the tainted school district and determines to root out the corruption. Tackling roadblocks, lies, and the supremacy of the superintendent-aka the wizard-Jaylyn discovers she is not alone in her endeavor as other colleagues come forward with their own sordid tales. Fighting as an underdog against such a powerful school system isn't easy, but Jaylyn doesn't have a choice. Her personality demands that she fight for her career and reputation, exposing terrible indiscretions of powerful people along the way.

Now I see why people think teachers don't deserve more money!

By Christopher L Falke

As a sixth grade writing teacher I would be appalled if one of my students wrote something that was this poorly written. Obviously, this principal was dead wrong and should have retired long ago. However the author writes like a primary aged student and her setting sounds eerily similar to Deer Park ISD, right down to the mention of Center Street and the oil refineries at the edge of town. Word of cheating teachers and administrators needs to get out but doing it in a professional sounding manner will get the author taken more seriously.

An utter disappointment. Don't say you weren't warned.

By Linda R

I have never written an online review, but this book was so bad I feel the need to sound the alarms. Don't say you haven't been warned!

Rosanne went to the same high school as me, so when she set out a facebook notification publicizing her newly released novel, I took the bait. The synopsis sounded interested, so despite the negative reviews I bought it. What a mistake and a total waste of my time. Luckily, we're only talking 3 hours since I found myself skimming much of it out of sheer boredom. This book is poorly written, has no plot, no character development, nothing to grab your attention. It seemed more along the lines of what I would have written on a note that I passed to a friend during my 7th grade history. Lots of pettiness and name calling. Let's throw in some inexplicable gossip at the end, which I assume was needed to reach the required number of words/pages.

The only thing I found of any use at all, was her brief description of her time on Maui. This was totally unrelated to the story but it did give me some ideas about what I can do on my upcoming trip to the island.

I notice that the author has been promoting this book at book-signings across the Houston area. Is she so naive not to realize that she should be embarrassed to have her name associated with this effort? If this is an example of the product of our public schools, God help us all.

Half Dimensional

By Chatty Cathy

I have heard of books being one dimensional but this is the first time I have read one that would have to work hard just to be one dimensional. It is ok to have bad guys but for crying out loud author, at least give us a slight inkling of what drives them. The childish name calling was a waste of time. The plot was disjointed and confused. I realize this book was self-published (score one for the real publishers for not accepting this) but come on have a little pride and maybe some introspection.
