Lucía and Ramón have lived 10 bland and uneventful years as a married couple until the day they decide to spend New Year s in Vienna and Ramón disappears at the airport. With the help of Adrián, a strange-ish young man, and of Fortuna, the anarchist, former matador and hit man for Durrut Fortuna, Lucía will search for her husband. What may seem to as a dramatic situation becomes an opportunity to live life to the fullest and to find a balance within the passing of time. Premio Primavera 1997.

Spanish Description:

Lucia lleva diez años con Ramon. Sus vidas transcurren sin pasiones ni tropiezos, hasta el día en que deciden pasar el fin de año en Viena y Ramon desaparece en el aeropuerto. Lucia no se conforma con que el caso lo resuelva la policia y, gracias a la ayuda de Adrian, un extraño joven, y del anarquista Fortuna, investiga por su cuenta el paradero de Ramon... Pero eso que parece un drama se convierte en una oportunidad para vivir con mas intensidad.

Excellent and encantadora. Worthy of a rereading.

By Cirilio Villaverde

An amazing novel. Part mystery, part quest, part love story... with a good measure of philosophical musings and political commentary thrown in. Above all, entertaining. Lucia, our protagonist, demonstrates all the introspection and insecurities which any other middle-aged woman (or man, for that matter) can identify with... What have we achieved; who are we; where are we headed; how well do I really know myself or this man I call my husband? Flanked by the wisdom gained only through life's experiences (in the form of her sometime sage and guide, the venerable Felix) and by the petulance and promise of youth (in the form of surprisingly complex Adrian, epitome of youth and manhood) the trilogy embarks on a trip both literal and figurative to learn her husband's whereabouts and entering a world Lucia never knew existed but enriching her incredibly in the process. Restrepo is bold, funny, and irreverent and one senses the novel was as much for her as it is for us. Encantadora.

I loved this book

By mother of Jon

I am a 60 year old English speaker from Michigan who decided to learn Spanish about 10 years ago and about 3 years ago decided to read only in Spanish to develop my language mastery. I love reading Spanish novels and am getting better and better at it (less time spent looking up words in my Spanish dictionary). I have read many types of books - Nobel prize winning authors, Allende, to Ruiz Zafon's juvenile literature, and have enjoyed all of them. I had run out of books and asked a Venezuelan friend to suggest authors to me. He recommended Montero, and I picked this novel at random from the ones available at Amazon. I found it absolutely wonderful. Delicious. Fun. Engaging. Deeper than all the other novels I have read up until now that are supposed to be life-changing and deep. Like it was made for me exactly at this time in my life and this stage in my Spanish reading/immersion. I say this because maybe it was just absolutely perfect for me - not perfect for everyone. It is sophisticated and great. About living life after age 40. Easy to follow if you are not a native speaker - things happen in order, not too out there in terms of literary techniques. It has a plot, interspersed with the most layered, sophisticated musings about that plot. Great.

For lovers of the Spanish language

By Carmen Savage

Rosa Montero's books are excellent and "The Cannibal's Daughter" is no exception. Complex story, beautifully written.

I feel that the title of the book may have deterred some people from reading it, in spite of the fact that it has nothing to do with cannibalism..... I would highly recommend it to anyone who is fluent in the Spanish language.
