LAWN BOY RETURNS BY GARY PAULSEN PDF

The summer I was 12, mowing lawns with Grandpa's old riding mower turned into big business. With advice from Arnold the stockbroker, I learned all about making money.

Six weeks and hundreds of thousands of dollars later, life got more complicated. You see, the prizefighter I sponsor, Joey Pow, won a big fight. And a TV interview made me famous. As Arnold says, "Capitalism plus publicity equals monster commerce." Even my best friends wanted a piece of the action. Meanwhile, some scary guys showed up at Joey's gym. . . .

Gary Paulsen's funny follow-up to Lawn Boy is full of big surprises and big laughs.

Disappointing Sequel

By teacherguy

I LOVE Gary P.'s original book in this series, "Lawn Boy". It is a great read, especially for 5th and 6th grade boys. However, "Lawn Boy Returns" has NONE of the great humor and situations that made the first book so engaging. This sequel has very little dialogue, which makes the text dense and boring, especially for kids. The colorful characters from the first book do not grow or change in this book, and we are also introduced to L.B.'s two friends and four new employees, none of whom add anything to the story whatsoever. There is also the introduction of a new character, Zed, who is crass and crude and says things that young readers should not be reading. Furthermore, the author thinks it is funny to describe Zed getting drunk and stealing (neither of which is funny for this age group). Go read "Lawn Boy" but DO NOT waste your time with this unimaginative follow-up.

I Love Paulsen, but not so much this sequel

By Pop Bop

"Lawn Boy" was fine, but not even in the top half of Paulsen's body of work. This sequel is missing a lot of what made "Lawn Boy" fun, and for the first time in a Paulsen book it all just seems labored and forced. It's still O.K., but that's about it. Never thought I'd be writing something like that, but there it is. If you are looking to try a Paulsen, look at "Masters of Disaster" or "Notes From the Dog" or, especially, "Harris and Me".
