(Study Score with CD). Score & Sound Masterworks are convenient, compact and inexpensive score/CD packs perfect for classical music enthusiasts and students. Follow along with the score as you listen to some of the world's great music. Discover which instruments are playing and in what combination, and admire the orchestration of a master composer. Publications in this series include an interesting article about the composition and history of the featured piece, a helpful reference addressing transposing instruments, and a glossary of musical terms used in the score. Mozart's last symphonies have been surrounded by myths and tales for most of their history. He wrote them at an astonishing rate in the summer of 1788, yet these pieces seemed to have been neither commissioned nor due for performance. From the brooding angst of the great G Minor Symphony (No. 40) to the triumphant and jubilant "Jupiter" Symphony (No. 41), Mozart infuses the form of the symphony with a new kind of romantic expression. Among all musical accomplishments, these astonishing symphonies are among humanity's timeless treasures.

Enhance your listening experience...

By Arena Connery

Knowledge of a composer's personal life and the history of his time period brings a new appreciation for his music. Schmidt provides insight into Mozart's early life and his career in Vienna. She also explores the creation and structure of Symphonies 40 & 41. A transposition chart and glossary of musical terms are also helpful for those unfamiliar with instrumental arranging. Sit back, pop in the CD, and gain a new

appreciation for Mozart's music.

Great little study score

By Song & Game

Great non-expensive price for two different works and CD! I would recommend this for new aspiring conductors with non-existing budgets.
