From Sophia Amoruso, the New York Times–bestselling author of #GIRLBOSS, a lushly illustrated embodiment of the collective spirit of the Nasty Gal brand, Sophia’s own personal brand, and girlbosses everywhere, with a foreword by Courtney Love. Warning: this is not a style book. It’s not about how to mix prints—it’s about how to leave yours on everything you touch.

Highly graphic and visual, filled with illustrations, photos and short essays, Nasty Galaxy is part scrapbook, part inspo-journey, with moments of frivolity scattered throughout. Tactical and entertaining, envelope-pushing and conventional, surprising and refreshingly straightforward, Nasty Galaxy is a dive into Sophia’s philosophies on work, relationships, balance, friendships, and more. It is a celebration of her roots in vintage clothing, punk attitude, fringe characters, and don’t-give-a-fuckthought leadership.

Nasty Galaxy is Amoruso’s newest life bible, approaching style, music, philosophy, and advice in the same way #GIRLBOSS approached business—unconventionally. Oversized and in full color, this is the newest, coolest, must-have accessory.
