PAPERBOY DAYS

Written by Ken Hohman

Delivering the News - the Good and the Bad

Half an hour just to do the first... I heard the sound, at first... the sound of the wind blowing... I felt like I was at... Holy crap, it was half... it said that the sky had... at before all the soft powder... a sheet of ice like it was a giant... I reached the bus falling all around... it was about more than a promise to a... This might be the biggest... here in a paperboy, and this was my... a world that I was the most... or ever to strap on the gray and... I tried to get tough. The kind of... never games where we were down... clock was running down. The kind... when I got in a fight with the... both of them at once. I remembered... being in class while the other took... during my tip over. With the noise... I kept on throwing wild

me to sit and lick my wounds... I was feeling newspapers with... like a dry cleaning machine... popping them on welcome mats... the houses that didn't have... I placed the folded papers in the pocket... I stomped and stumbled through the drifts... My fingers and toes were numb... I ploved into the mud and snow... my shoulders lowered like Rocky... a line of defenders, sometimes not even looking up... until I saw the end... I was driving myself so hard that I was... with perspiration under the layers of wood... feeling the... Turkish bath. Any time I would try to adjust my scarf... my skin would be exposed and an icy... would slice through my entire body... The last... and so I punched my boots through it, it made a dull

Sometimes I would fall and punch... the ice, only to swing my paper bag... and climb to my feet again... of miserably, but after a while it... angry, a rolling, fiery anger... that had been growing all day... The delivery bag dug into my... for another paper. I slipped off... the fall and landed in such... front porch. Over and over, I... showed them until my hands were... newspaper. As fast as I delivered... on to the road. Bumbling through... I was taking on the snow... three. Even garbage, as I... for my new rush of power... my air, I'd scale the banks... hooded many of the driveway... remainder of the route, but only... I stomped and stumbled through the drifts... with snow blindness like an Arctic explorer... for my new rush of power... my air, I'd scale the banks... hooded many of the driveway... for a phone to call home. A sad and

In the back... Pittsburgh... morning. By... decision, it... were going... I did my best... stomping, it... glory upon... I was 8:30... the morning... day, that I... felt and he... spent the day... laughing at... records over... Last that as... paper that... delivery. Fu... and I receive... page of the... really clear... unsmooth be... taking sick... Christmas is... were in class... their shoes... even be great... One could get... shadows in... suburban. I... thinking out... in about four

Among them is through this Paperboy Days: Adventures Of The Last Great American Paperboy By Ken Hohman This book Paperboy Days: Adventures Of The Last Great American Paperboy By Ken Hohman will offer the needed of notification and declaration of the life. Life will be finished if you understand more things through reading publications.

PAPERBOY DAYS: ADVENTURES OF THE LAST GREAT AMERICAN PAPERBOY BY KEN HOHMAN PDF

Read all about it!

America's last great paperboy tells all!

Throughout the 70s and 80s, paperboy Ken Hohman spent eight years delivering the Pittsburgh Post-Gazette to homes in the cozy suburban enclave of Mount Lebanon, Pennsylvania, just a short trolley ride from downtown Pittsburgh.

For the young and impressionable Hohman, newspaper delivery is more than just a job; it's a calling. Steadfastly committed to delivering his papers on time, he crisscrosses the streets of his neighborhood in the dark hours of the morning, experiencing a host of unexpected adventures that will awaken his perceptions of the world around him and strengthen his love for life, family and his hometown.

Chronicling the highs and lows of his beloved trade, Paperboy Days presents Hohman as a young boy learning the rewards of hard work and the awkward lessons of growing up. In the mornings, he is confronted by blinding snowstorms, stray dogs and misadventures that put his courage to the test. In the afternoons, he is exposed to the eccentric personalities and secret lives of customers whose behaviors force him to break out of his adolescent shell.

With humor and compassion, Hohman relates his experiences learning the ropes of newspaper delivery from his older brother, embracing the joys of growing up in the 70s, coping with his parents' divorce and struggling to keep money in his pocket and the papers delivered on time.

A high-spirited and heartwarming tribute to the vanishing trade of newspaper delivery, Paperboy Days is a rollicking memoir of paperboy's true life adventures and a touching homage to the author's hometown of Pittsburgh.

A well written dose of life's core values..

By Phil Cerminaro

Paperboys are symbolic of a time when a strong work ethic and being kind to others were traits that have unfortunately diminished dramatically in the youth of today. I found myself completely immersed in the everyday struggles that the main character endured. How important a lesson it is to remember that throughout life one must be accountable for ones own actions, regardless of the circumstances that are faced. Well done!

A lovely tribute

By Meghan M. Gorecki

My grandmother got this book for my Dad for Christmas and he read it in less than a day. Tears sprang to my Dad's eyes with every other page as it brought to mind many scarily similar memories of his days as a paperboy for the Post Gazette in Carrick the same years as the author was a paperboy. Having worked for the Post Gazette as a driver for nine years (2001 to 2010), my Dad had hoped to retire as a "paperboy" from the Gazette, but the most hard-working man I know changed jobs for the sake of security for his family when the paper began to go downhill a few years back. I love that this book so touched my dad and brought so much joy and memories to him, written so well by a fellow paperboy. It takes quite a book to hit home and make such an impression, and this book of nostalgia is certainly a one of a kind, joy-filled book. Thank you for writing this.

A retro-seventies delight

By JKReads

This was a delight to read. I was sorry it was so short because it was so enjoyable. The writing flows so wonderfully and I can picture the sights and sounds of suburbia in the seventies. There are some heartwarming stories (the elderly lady who was invited for Thanksgiving, for example) and I think the author was a very thoughtful and kind young boy. It was a little saddening that despite his father being a physician, after his parents split up he essentially had to raise himself and was basically neglected. But all in all an enjoyable, delightful read. Definitely deserving five stars.
