TAMING GI JANE BY DEBRA WEBB PDF

After six years of active duty, army drill sergeant Jane Passarella is ready for a new challenge. Running a fat farm for the general's wife and her friends is not what she had in mind. Jane is caught completely off guard when her own willpower goes AWOL while teamed with sexy camp director Tom Caldwell.

With a camp rife with contraband ice cream and crawling with rebellious dieters, romance is the last thing on Tom's mind...until he sees petite and pretty GI Jane. The two have just fourteen days to transform a dozen couch potatoes into svelte, disciplined beauties. But how will they ever be able to keep their minds on the task when they can't keep their hands off each other?

Though Debra Webb has distinguished herself as an author of romantic suspense, she began her career writing sassy and spicy romances for Kensington's Precious Gems. For the first time these heartfelt stories, which were sold only in Wal-Mart for one short month, are available as ebooks.

ENJOYABLE!

By Linda Langford at Chatting About Cozies

Funny romantic suspense. Sgt. Jane Passarella, a drill sergeant, is sent to a summer camp for troubled teens to teach her General's wife & friends about physical training (the General's wife, Sandra, & her friend's are all overweight & spoiled). At the camp, Jane meets Tom Caldwell, the man in charge, & they slowly fall in love as Jane begins training the women despite their attempts to cheat on their exercise & diet plans. Enjoyable characters & funny!! Only .99!

Taming GI Jane

By R.C.M.

She's a pretty little Gung Ho GI and he's the head of a camp for troubled kids. The most grief comes from some spoiled adults whom Jane whips into shape with discipline and diet. There are lots of confusing times where the leaders are challenged and it's hard to tell who is leading whom.

Taming GI Jane

By Jane Jones

Drill Sergeant Jane Passarella was ordered to a camp for troubled youth to be the Physical Training instructor. Her first session was for the General's wife and a group of her friends to teach them about discipline, good diets and physical fitness for a two-week session between sessions with the troubled youth.

With the General's wife as the leader these ladies give the petite Sergeant Jane a challenge that she was never trained for in the Army but one she faced with good humor and determination. The ladies thought of some pretty funny ways to rebel while the camp staff figured out how to get even ~ all very funny. At the same time Jane is knocked for a personal loop when she falls for the sexy good-looking camp director. They have a big problem with love and career choices and the orders from the General too. It was a great and really funny romance that I would recommend for anyone looking for a fun military story with lots of love mixed into the storyline.
