If you love dogs, you'll love this book!

By bc491@scn.org

The 26 stories in this book by the late Gene Hill are exactly what the title says. You will either laugh or cry over each one. Fortunately, there is more laughter than tears. If you have ever had a dog steal your heart, you need to read this book you won't be sorry

Outstanding take on one man's love for dogs

By J.K.WILKINSON@USA.NET

Nothing could be more pleasing than to see someone articulate a subject so well. Often quoted (and for good reason), few authors have a more honest voice or greater capacity for storytelling than Gene Hill.

I couldn't put it down and I don't even hunt!

By A Customer

I bought this for my husband/hunter and I read it before he did, he was busy with the other one I gave him along with this one called "Just Dogs, a literary and photographic tribute to the great hunting breeds". The stories were wonderful and the illustrations were just as good. My husband often enjoys stories over a single lengthy plot, and these fit the bill perfectly. This book makes a great gift, and the above mentioned is definitely worth considering, the photos alone are fantastic.
