About the Author

Bradrick A. Joyner was born on April 2nd, 1988, in Fort Lauderdale, Florida. Aside from writing and lecturing, he is a Father, musician, philosopher, and an active Freemason. Bradrick attended Middle Tennessee State University where he studied The Recording Industry: Productions and Technologies, then later on became a certified Pro-Tools Operator in Music. This gave him the fulfilling opportunity to work as a professional musician and audio engineer. Shortly after the birth of his son in 2011, Bradrick decided to transition from music into the world of writing. In 2014, he published his first book titled: "Ethics, Deductions, & Common Sense." Since then, Bradrick has been requested to speak at over 50 engagements, with topics ranging from Traditional Occult History and Philosophy, Comparative Religion, Freemasonry, Meditation, Tarot, Moral Psychology, Theosophy, and more. Bradrick's writing has been described as "energetic" and "concise." His ability to explain in-depth concepts with ease while keeping his readers and listeners engaged makes for a rare and satisfying experience. Bradrick is internationally available for book signings, lectures, and special guest appearances.

THE MASONIC INITIATE: A GUIDE TO LIGHT BY BRADRICK A. JOYNER PDF

The Fraternity of Freemasonry supplies the necessary resources, that when properly applied, can assist a man in bettering himself not only mentally and physically, but also spiritually. In an attempt to revive the interest, within the Fraternity, of the practical applications of the deeper spiritual lessons provided within the degrees, "The Masonic Initiate - A Guide to Light" confirms for every Brother that his Fraternity is furnished with the necessary tools to erect his spiritual temple. This book provides a foundation to begin the "journey of the soul" through the manifestation of the teachings of the degrees of Freemasonry. This book focuses on the Entered Apprentice degree of Freemasonry, covering its symbolism, forms and ceremonies. It takes the lessons and symbols of the first degree of Freemasonry, and reveals content that can be applied through both traditional and contemporary forms of spiritual development. This book gives a fresh perspective; it links spiritual practices, like visualization and meditation, to the teachings of Freemasonry. "The Masonic Initiate - A Guide to Light" can be beneficial for the youngest member of the Fraternity, as it attempts to clarify the nature of the forms and ceremonies of his degree, and shed Light on what it means to be "initiated." At the same time, it offers a fresh perspective on some of the symbols and ceremonies that can be well received, enlightening, and even quite refreshing for the elder Brother.

An excellent guide. A must have.

By Nelson J. Rose

I had the opportunity of reading this book prior to its release. Brother Joyner does an excellent job of weaving the spiritual and esoteric elements of Freemasonry into a succinct narrative that is easy to consume. The clarity of his delivery enables the reader to understand and contemplate the jewels of our Craft without going off the deep end of the mystical pond.

This is an excellent guide for Masons, young and old.

- Nelson J. Rose, Author of A Masonic Journey

Great book for a new EA as well a someone ...

By P.L.

Great book for a new EA as well a someone that is beginning or revisiting Masonic education. This is a quick but good read that does a wonderful job of stimulating further questions and encouraging deeper thought.

Absolutely outstanding interpretation and explanation

By Michael Karpovage

This short read is an absolutely outstanding interpretation and explanation of the initiation ritual of an Entered Apprentice into the Craft of Masonry. I read it in less than a day. The author's writing style in short, crisp sentences, as opposed to long-winded, academic verbiage, makes the explanation of concepts and symbols completely understandable. I especially liked the part on creative visualization. As a Mason of ten years, I found more insight in this short book than I have in any Lodge program. The author even explains why Lodges are lacking in this education within these pages! I highly recommend this book by Brother Joyner to any new EA or any Master Mason still trying to figure out how to map his personal journey. I rank The Masonic Initiate right up there with another of my favorite books on deciphering Masonic origins: The Craft Unmasked by Brother Dr. John Nagy. Looking forward to reading your upcoming books on the next two degrees, Brother Joyner!
