Excellent book...

...it didn't lose my interest = it wasn't boring. Sure, it's short, but the author manages to fill it with facts. Too bad this one's out of print. I had a really hard time finding a biography on this fascinating woman, so when I picked this up I thought it wouldn't be great (hey, I got tired searching for an hour). I was wrong. If you need to do schoolwork on the Byzantine era, particularly the reign of Justinian I, then pick this one up.
