This is basic, read the soft file of the book [*Ugly Truth \(Diary Of A Wimpy Kid\) By Jeff Kinney*](#) as well as you get it.

From Booklist

In his latest diary, the fifth in the mega-best-selling *Wimpy Kid* series, Greg Heffley, star of page and screen, proves indisputably that “when it comes right down to it, middle-schoolers are just a bunch of wild animals.” It’s a jungle out there for sure, and the key components are farting, pimples, family gatherings, headgear, fatherly homework help, lousy aim in the bathroom, and, of course, girls. Greg’s main focus as the school year gets under way is replacing his best friend, Rowley, with whom he had a falling out over the summer. Although he has not reached full-blown puberty quite yet, Greg feels as if he’s hit his childhood “expiration date,” and when you’re no longer a cute kid, nothing is as easy as it used to be. Once again, Kinney remains unerringly attuned to the tween psyche as he packs in rapid-fire experiences in words and cartoons that are bust-a-gut funny, beg-to-stay-home-from-school mortifying, and completely authentic in all their ugly truths. Grades 5-8. --Andrew Medlar

Review

The world has gone crazy for Jeff Kinney's *Diary of a Wimpy Kid* series Sun Kinney is right up there with J K Rowling as one of the bestselling children's authors on the planet Independent Hilarious! UGLY TRUTH (DIARY OF A WIMPY KID) BY JEFF KINNEY PDF

The massively funny fifth book in the bestselling and award-winning Diary of a Wimpy Kid series - now in paperback. Greg Heffley has always been in a hurry to grow up. But is getting older really all it's cracked up to be? Suddenly Greg is dealing with the pressures of boy-girl parties, increased responsibilities, and even the awkward changes that come with getting older. And after a fight with his best friend Rowley, it looks like Greg is going to have to face the "ugly truth" all by himself ...

Good series to read!

By krishunee

My son and I are big Wimpy Kid fans. He is 7 and got his first 4 "wimpy kid" book through a friend. I now have bought 4 other "wimpy kids", (hardcover), my son had one paperback(that was a no,no). Any who These books have been our bed time reading for the past 6 months. I enjoy reading it to him, sometimes finishing a book in 3 days. I has also helped him to be an excelerated reader because of the pictures, plot(typical silly boy stuff), he enjoys reading them during his free reading time. I think he has reread some, he also got a hold to my phone to order another wimpy kid book.

A great read. It's well written and I plowed through ...

By Sam

A great read. It's well written and I plowed through it in one sitting. I could not put it down. I laughed, I cried, I smiled, and I pondered throughout the entire book. You know you just finished reading something great when you get towards the end and you start to panic because you don't want it to end. I thought all the characters were well flushed out and added something interesting to the story. I don't know how I can write a review without giving away the plot, so all I can say you need to read this. You won't regret it.

When my son started the 2nd grade he hated having to read and saw it as nothing more ...

By Caroline

When my son started the 2nd grade he hated having to read and saw it as nothing more than a chore and it was a fight to get him to do it. When seeing the books they were reading, I could completely understand why. I made various attempts to show him reading was fun and still it was just a chore to him and he'd constantly act like he couldn't read as well as he could to get out of having to read... until I started buying him the Diary of a wimpy kid series. He now has a greater love for reading and understanding that it can be fun and enjoyable. He went from complaining every time he had to read for class to being happy to do so and reads proficiently above grade level. He also likes discussing the books with me and telling me about what is happening. He is always very eager to get the next book in the series (and I have found amazon to have great prices on them) and has a very great sense of accomplishment when he finishes each book. The fact that this series has given my son joy in reading has been invaluable.
